

Grace Academy

- Actions:**
1. Energy Saving
 2. Reduce plastic in school (school water bottle)
- Who with:**
1. Headteacher to help as well as students / parents
 2. Eco-team will help us in school, targeting students with an assembly as first step

John Henry Newman School

- Actions:**
1. Recycle plastic bottles
Reward sustainable travelling
Switch off electrical appliances that are not in use.
 2. Talk to my head of year about the step (walking) tracking scheme
 3. Recycle more plastic bottles throughout the school with the key message:
'Realise how much impact we have on the environment'.
- Who with:**
1. Target is our school / young adults with the help of teachers, students, and Head teacher
We will let everyone know through posters, assemblies and 'Stop and prayer'
 2. Target audience is secondary students with P. E Teachers, Tutors to help
 3. Teachers and hopefully all the students will be involved along with Head, Head of Year, Others.
We will let everyone know through Assemblies and Staff Briefings.

Lode Heath School

- Actions:** Recycling!
Work on recycling within school and first we need to find out the cost of separating waste and creating a food-waste collection point, as well as the price of recycling bins
- Who with:** We are targeting students and teachers and will need the help of our active site manager and co-operative staff.
We will let everyone know through assemblies, posters, form notices

The Sixth Form College, Solihull

- Actions:** Eco-group: introduce better waste / sustainability initiatives
The key message for schools is:
'Giving people a voice - letting them know that not all hope is lost - that people can do things'.
- Who with:** Making it a school initiative to let everyone know. SDO Officers will help us.

Tudor Grange Academy Kingshurst

- Actions:** Set up an eco-team and plan and negotiate ideas with Head / Principal
Our key message is waste management in schools
First we need to
- Find out amount of waste being produced
 - Then coming up with effective method to reduce it.
- Who with:** Targeting students and teachers, and gain access to assemblies to do speeches.
