Climate Action Survey

- Informs and motivates your school's Climate Action Plan.
- Helps with the <u>UK Strategy for Sustainability & Climate Change.</u>
- Increases 11–18-year olds' say in sustainability decisions.

To take part

- A team of students (e.g. eco-group) roll out our survey.
- ICN provides an insights report exploring current climate actions, challenges and motivators.
- It's FREE to be involved! Get in touch: schools@interclimate.org
